I could hear any sound from the next room!! I'm overtired!

SSNIFF*SNIFF

Don't cry!
I have all my loose sisters and a wife to cry!

Those babies...

They don't even know how to wipe their own snot yet! Now I'm also responsible for my brother's snot as well!

WAAAH!!!!

Last, not yours!

Even when..

the group of bullies were old high school kids she took them on without fear

Even when she was in a worst state than ever

Let's go home

I WANT

It's also cold! Let's go home quick! Sniff

Why aren't you growing even though we're both living in the same house?

It is cause you're not eating properly, sis!!!

That's a lie

You've hurt because of those guys before, right? You were in the hospital for a full week

When I grow up, I'll repay you. When is Seonbong happiest, tell me. Okay?

Silly brat.

She was always on my side

It doesn't matter who it is, if there's a guy volunteering you can even do a prostitute!

Just don't ever hurt our little sister!

I'm telling the truth when I grow up--

I was always on my sister's side too.

I'll take them all on, bring it on, no, I'm serious--

Hahahaha!

We were like two peas in a pod..

until high school.

Walk

That ain't makes sense right now!

I don't care, let's go home!

Don't work..

I guess I've been suffocating you a lot for much these days. Come home by 9 o'clock okay?

It's true.. it is not too much to come home..

Then, know it ? Problem solved.

I'm not a baby anymore...

What do plan on doing at night long?

Don't go around doing other things and come home get it?

I guess the way they tell rules in the family

Sigh...

That Yoonsung bastard spoke to me even today

Hey..

I'm going to ask you one last time

If your roommate's a nice guy, let me talk to him.

.....

I think you're misunderstood someone here.

I don't need to talk to you, I just need you to introduce us

I think I should thank what is things

Doesn't you say we're close friends?

.....

That was the way they really makes your blood and

I just ignored him and walked away..

Hey, I heard a new noodle shop opened nearby..

I don't really like japanese noodles

Why?

I think.. it's weird

Sigh, I heard

Yeah

Yeah

ugh.. he seems really depressed.. maybe I shouldn't have ignored him like that before..

Hey, he there you asked me about before..

I'm not that close with my roommate..

Sure..?

We just say ' how would what we are living together..

But, I guess we get along pretty well.

we met through a close friend's introduction. That's how we started rooming together

Oh, let me make a clear right now, I'm not into any sexual stuff or girls, I'm not gay, but not into flirting.

I'm not such an open person

If you're asking me about my sexuality, the university is still too much too soon again

What if that's not my objective?

.....

I Cried

What do I do?

What?

He knew

I wonder if I can trust this kid as a joke.

I should've been more careful with my posts online.

He's staring at me.

Now what?

What does he think about it?

What is he thinking of?

Should I run again?

This is embarrassing.

I want to hide.

I can't believe I have to talk to my little brother about something like this.

Will he excuse me to our other Away viewers?

No, if he would, he would've done it already

No, you never know.

Now what?

Now, what?!!

That's mean!

Destroy the evidence!

YOU!!! Are you the one who sent me all of those emails and all of those pictures and videos?!
